# BCG Facility Service & Maintenance

Our complete engagement service means first class manufacturing and installation stays first class, to guarantee optimum presentation at all times.

Our fleet of mobile workshops is always on the road for timely response to your needs in fitout elements and the wider range of building and services maintenance including:

- Building maintenance and repairs
- Total shop fitting
- Carpentry
- Gyprock
- Furniture repairs and refresh
- Signage install & maintenance
- Perspex supply, maintenance & repair
- Painting
- Concreting
- Brick wall
- Stainless steel site repairs & install
- Ceramic Tiling
- Electrical Work
- Plumbing
- Air conditioning

**One thing customers never buy is excuses!**

Since 1989, BCG has been providing exceptional building maintenance services for supermarkets, shopping centres, fast food outlets and other commercial establishments. We are well aware of the importance of proper maintenance and repair of equipment, power outlets and the overall smooth running of any commercial facility. Our promise of Complete Engagement Service means service exactly tailored to retail and customer service needs.

With a fleet of mobile workshops always on the road, you can depend on it. Guaranteed.
